## Welcome to the Lido Grill Restaurant on board the ss Rotterdam!

The ss Rotterdam is no ordinary ship; this former flagship of the Holland-America Line has a rich history and is now a hotel and events location. We are happy to tell you the stories about our history during the tours. Did you know, for example, that the place you are now in was known as "Café de la Paix" until 1968 and served as the party café of the tourist class? After 1968, it underwent a transformation and was renamed "Lido," a buffet restaurant where you could dine informally, unlike the other dining rooms. A lot has changed since then, but the name "Lido" has remained!

While you dine in the Lido Grill Restaurant, surrounded by the atmosphere of the ss Rotterdam, you can enjoy the unique ambiance and the breathtaking view of the Maas and the skyline of Rotterdam while you enjoy delicious dishes from the KOPA charcoal oven and more, much more. Our specialty? Brisket is highly recommended, smoked in our smoker.

So, enjoy all the delicious dishes, but also enjoy the unique experience that the ss Rotterdam has to offer!

**Enjoy your meal!**
